

Developing breakthrough technologies for
science and society

D1.5 - Summary of the Starting Workshop for funded projects (web sites)

Name of the project:

ATTRACT2

Grant Agreement contract number:

GA- 101004462

Date:

04/10/2022

Executive Summary

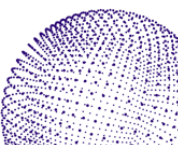

The starting Workshop for funded projects took place on May 31st 2022. All project coordinators participated in the online event including those of the R&D&I funded project, the student projects (ATTRACT2 Academy) as well as the Socio-Economic Study projects.

The workshop non only helped to inform and clarify the administrative procedures for the good management of individual projects byut as well to make the different project coordinators aware of the interconnections and cross-polinizations expected among the three different types of funded projects. Additonally, for an overall benefit, each single project was given an opportunity to briefly pitch it attending to a pre-standardised set of slides focusing on the main objectives of the project and the type of interaction that the project was seeking with piers.

Full information of the material, content and videos of the event could be publically accessible here: <https://ATTRACT2-eu.com/e28-million-fund-will-finance-36-projects-that-hold-the-most-promise-for-science-and-society/>

The worshop was structured in the following way:

1. **Welcoming words** by Michael Krisch: Michael Krisch, ATTRACT2 Project Consortium Board chair and International Research & Innovation Programmes Manager at the European Synchrotron Radiation Facility (ESRF), welcomes the 36 projects that have received funding for the ATTRACT2 phase 2. Video presentation available at: https://youtu.be/VV1Sms_PcVg
2. **ATTRACT22 and the private investment by John Wood:** John Wood, ATTRACT2 Project Advisory Committee chair, explain what are the future plans for ATTRACT2 and how can this initiative help the projects regarding the private investment. Video presentation available at: https://youtu.be/0n--fW_gud0 .
3. **ATTRACT2 Academy:** concept and what is expected from the participants by Shreyasi Kar. Shreyasi Kar, ATTRACT2 Deputy Member of the Project Consortium Board and Head of Operations at Aalto University Design Factory, talks about the 10 Student programmes that will generate ideas for social innovation inspired by the technologies developed within the R&D&I projects. Video presentation available at: https://youtu.be/CTpLI_4JOGc
4. **ATTRACT2 Socioeconomic Studies projects:** its goal and what is expected from all contributors by Angelo Romasanta. Angelo Romasanta, representative of the

ATTRACT2 Socioeconomic Studies call and Postdoctoral researcher at Esade Business School, talks about the 8 projects which have received funding and how they will work within and outside the ATTRACT2 ecosystem. Video presentation available at: <https://youtu.be/1CJI7z1YKv0>

5. **ATTRACT2 R&D&I projects:** what is expected from the funded projects by Sergio Bertolucci. **Sergio Bertolucci**, ATTRACT2 R&D&I Committee (IC) chair, professor at University of Bologna & former scientific director at CERN, says they expect the projects can connect with other projects, with students, because this could become something helpful to the society and to a sustainable future. Video Presentation available at: <https://youtu.be/hTdVpNJ4PPE>
6. **ATTRACT2 phase 2: rules and regulations by Pablo Garcia Tello.** **Pablo García Tello**, ATTRACT2 Project Administrative Office & section head of the Development of EU Projects & Initiatives at CERN, provides a presentation about all the details that the projects should consider regarding the budget, the dissemination, the monitoring and reporting, among others. Video Presentation available at: <https://youtu.be/BqwK-KlIVVo>
7. **ATTRACT2 phase 2: Q&A by Pablo García Tello and closing remarks by Michael Krisch.** **Pablo García Tello**, ATTRACT2 Project Administrative Office & section head of the Development of EU Projects & Initiatives at CERN, presented a Q&A block to solve participants' doubts about all the processes regarding ATTRACT2 phase 2. Finally, closing remarks by Michael Krisch, ATTRACT2 Project Consortium Board chair. Video presentation available at: <https://youtu.be/3W-WMiVpXPM>

This deliverable includes the also publically available slides that the ATTRACT2 Consortium Project Administrative Office presented. The retrivig link is:
